Presenter 2

- **Name**
- **Introduction about self**
  - Something you like to do each day
  - Hobbies
  - Important people in your life
  - Something that relates to the audience

- The IOOV program was developed in 2003 and is now active in 37 states with over 2000 presenters. Over 150,000 people including family members, providers, consumers, educators, students, law enforcement, politicians and members of faith communities have seen this presentation.

- We’ll be showing an 11 minute video divided into five different segments: Dark Days, Acceptance, Treatment, Coping Strategies & Successes, Hopes and Dreams. After each segment, we will pause the video, tell our own brief personal story and then there will be time for discussion and questions.

- **First Contact Folder - Yours to keep**
  - Evaluation Form
  - “If you would like to become a member of NAMI, there is a Membership Application form right in the front of the First Contact Folder
