

Say It Out Loud

Mental Health Conditions: The Facts

Mental health conditions are all around us and among us. By knowing more about them, we can encourage each other to speak up and build better lives.

One in five teens lives with a mental health condition.

50% of mental health conditions emerge by age 14 and 75% by age 24.

A high percentage of high school students living with mental health conditions drop out of school.

Suicide is the third leading cause of death for youth and young adults.

3rd

1/2

Less than half of youth with mental health conditions receive treatment.
